

2008 Presidential Election Candidate List

Last Updated Sunday, 10 February 2008

List of all presidential candidates who have announced their candidacy for the 2008 presidential election and are still in the race. This includes all parties and independents to our best knowledge. If you are a candidate and are not on this list feel free to contact us and we'll add you to the list. We do our best to keep this list updated as the candidates drop out and/or new ones join in. The candidates are listed in order by their last name. We only list candidates who have filed with FEC and have raised at least \$5,000 toward their campaign. Also feel free to vote for your favorite candidate in our informal poll.
